

Mr Andrew Powell - Co-opted Governor

I have more than 30 years' experience working in the public sector in Stoke-on-Trent. I have a passion for engaging communities and parents as I believe this is critical to our children having the best possible educational experience and outcome in our schools. I am new to school governance, but have a good understanding of governance including local authority; registered housing and charity. I will contribute by supporting and challenging to make sure we deliver the best for our children.
