

Dr Ralf Müller - Head teacher

I have joined Alex Juniors as head teacher in February 2016 after having been seconded from Weston Coyney Juniors in the 2015/16 academic year to work as part of the ESPRIT network. I came late to Primary School teaching after having taught at universities in the US and Germany earlier in my career. I trained at Cauldon (which is now Etruscan) Primary, a school very in many ways similar to Alexandra Juniors. From there I moved to Weston Coyney Junior School as an NQT being responsible for MFL and PSHE. I later became Assistant HT with responsibility for what was then called the “Every Child matters” agenda. After a few years, teaching and learning and assessment were added and I became the Deputy HT and finally left as the head teacher.
