

Sally Adams

I am at present the Home School Link Worker at Alexandra Infants School and Alexandra Junior School. I started this position in March 2016, after working as an Early Years Practitioner at Alexandra Infants School for the past 11 years. I started working at the school when my children started in Reception, at that point I enrolled to start Level 1 Teaching Assistant course. I progressed with my studying and Achieved BA(Hons) in Education. I have been the Support Staff Governor for a number of years, which I have found very rewarding. I am also a Governor at Westfield Nursery School, where I have supported for the past 14 years in a variety of positions starting as Parent Governor and also as Chair for a short period of time.
