

Pupil Premium Impact

2015-16

<u>Strategy</u>	<u>Cost</u>	<u>Evaluation</u>	<u>Impact</u>
To fund access to curriculum related enrichment activities to develop key skills and support home learning.	£2000 £751(Trips/extended learning – key strings, poet)	41% of PP pupils from key stage one attended after school activities. All PP trips and visitors into school were subsidised in FS2, Year 1 and year 2 for the academic year.	Children learned a range of skills and experienced different activities throughout the year – including; cricket, gymnastics, and bubble sports.
Additional time from EWO to improve attendance.	£6376	Vulnerable pupils/families identified and support provided by the EWO. A greater proportion of parents aware of the importance of good attendance and the effect on learning.	Schools attendance in July was 94.3 % Persistent absentees reduced from 8.1% in September 2015 to 4.3% in July 2016. (31% of these children were PP pupils.)
After school/before school Maths and Phonics booster sessions. (TA timetable.) Lunch time language clubs. (Premier sports)	£3000 £900	9 out of 11 pupil premium children who received additional phonics booster activities in year 1 met the expected level. (82%) Attendance of PP children at the booster sessions was good, 18 PP pupils from year 2 attended the lunchtime club support.	Phonics Check – overall 88% of pupils passed the screening. This ensured that pupil's attainment was at least in line with the national average. (81% of PP pupils passed.) Pupil interviews demonstrate increased confidence when speaking for these identified pupils. Impact on writing - 50% of PP pupils

		<p>Daily reading with an adult/additional guided reading sessions with a focus on comprehension.</p> <p>Word Aware programme with identified PP pupils.</p>	<p>achieved ARE. There is still a significant gap between PP pupils and all other pupils in this area which needs to close in the next academic year 2016/17.</p> <p>69% of pupils achieved ARE+ in reading in July 2016 – bringing the school closer in line to national and that of other schools in the proposed Esprit Trust. 56% of PP pupils achieved ARE+. There is still a significant gap between PP pupils and all other pupils in this area which needs to close in the next academic year 2016/17.</p> <p>8 PP pupils (100%) targeted for Word Aware successfully increased their vocabulary and baseline scores.</p>
Employ HSLW to work with vulnerable families.	<p>£16806 (HSLW)</p> <p>£12000 (BSW)</p> <p>£200 Uniform</p> <p>Lunchtime meal x1 pupil £120</p> <p>Breakfast club £1500</p>	Appropriate support available for families.	<p>Linked to attendance. End of the Year attendance was 93.4%.</p> <p>Identified PP pupil's attendance has improved and for most weeks overall PP pupils' attendance is better than that of non-PP children.</p> <p>(Early help plans are now in place for identified pupils to ensure wrap around care – interventions include breakfast club places.)</p>
Learning Support Practitioners to provide small group or individual	£17827	Small group work with a key focus on basic skills in order for more PP	KS1 – 50% of Pupil Premium children achieved ARE+ in writing and maths. 56% in Reading.

<p>support through intervention programmes in English and Maths.</p> <p>Additional learning experience for MA pupils</p>	<p>£1000</p>	<p>pupils to reach an age related expectation in all three subjects.</p>	<p>However both attainment at ARE+ and progress for pupil premium children was lower than that of non-pupil premium children. EYFS - Pupil premium are outperforming the Non PP children in all areas – the largest gap is in maths.</p>
<p>Support for language development – EAL consultant</p>	<p>£2200</p>		<p>63% of identified PP pupils now also have a language support plan in place. These has ensured individual progress against NASSEA assessments each term.</p>
