Head Lice Advice

Treatments to get rid of head lice are available to buy from pharmacies, supermarkets and online.

The main treatments are:

- Wet combing
- Lotions and sprays

Everyone with head lice in your household should be treated on the same day.

If a treatment doesn't work the first time, you can try it again, try a different treatment, or get advice from your school nurse, health visitor, pharmacist or GP.

For more information and instructions visit <https://www.nhs.uk/conditions/head-lice-and-nits/>

Milk Money

Notifications have been sent out for over 5's milk money for the next half term. Please ensure all payments are made by

Monday 21st October

Communication

We will be using text messages, Facebook and the school app to communicate with parents.

Please make sure you check these regularly for school updates. If you have any problems connecting then please let us know.

Dougie Mac Bring a Pound Day

Thank you to everybody who donated towards Dougie Mac non-uniform day

We've raised a total of

£109.00

Appointments

We advise you to try and make hospital or dental appointments for your child after school where possible. But if you are unable to do so please notify the school in advance and bring the appointment card/letter to show to the office staff.
