

## Accelerated Reader

Dear parents/carers,

During this time, it is vital that our children continue to read. Reading opens to the doors to so many opportunities and allows them to access all areas of the curriculum.

To support the children's reading, AR has changed their licensing which means we are able to test at home. Please find all the information about how to access it below.

If the text your child is reading is not on AR, please do not worry. The focus is reading, not testing. When your child is reading, you can ask them questions to support their learning. It does not all have to be done on AR.

If you have any questions, please do not hesitate to contact us.

Keep safe and look after yourselves.

Kind regards,

Miss Davenport

## How do I access Accelerated Reader?

To access AR, you must go on the website:

The website is specific to each school so please check you are using the correct website. Our school code is 6697873, simply enter **/6697873** after the web address to access the school site.

 [ukhosted21.renlearn.co.uk/6697873/](https://ukhosted21.renlearn.co.uk/6697873/)

Click on 'I'm a student'

Type in your username and password (these are in your child's reading diaries). If you do not have this, please let us know and we can re-send your username and password to you.

The form is titled "Student". It contains two input fields: "User Name" with the value "test" and "Password" with the value "\*\*\*\*". Below the fields is a "Log In" button.

Click on 'Accelerated Reader' (the third box).

The screenshot shows the Renaissance Learning homepage. At the top, there's a navigation bar with 'RENAISSANCE' on the left and 'test account ▾' and a user icon on the right. Below this is a 'Home' link. Underneath the 'Home' link is a row of four colored boxes: 'Star Reading' (blue), 'Star Early Literacy' (light blue), 'Accelerated Reader' (orange, with an arrow pointing to it), and 'Accelerated Reader Articles' (light orange). Each box contains an icon and its respective program name.

Type in the book details. If the book is from school, the quiz number will be on the inside cover on a label. If you are searching for a book from home, you can search by the title or author.

The screenshot shows the search results for 'Billionaire boy'. It displays the book cover of 'Billionaire Boy' by David Walliams. The book is described as Level 4.1 MY • Fiction • Quiz 219982 EN • Points 4. A brief summary states: 'Joe Spud is the richest 12-year-old boy in the world. He has everything he could ever want except for the one thing he really needs: a friend.' To the right of the book details are two blue rectangular buttons: 'Take Quiz' and 'View Vocabulary'.

When you click 'Take Quiz', it will ask how your child read the book. If they read independently, your child should do the test independently. If they read with someone or if they were read to, you can read the questions to your child but do not help them with the answers. The 'Start Quiz' button will appear once you have selected one of the options. On some tests it will ask if you want the recorded voice on or off (the questions are read aloud).

The children **are allowed** to use the books to retrieve the answers.

Locate the book in the list. It will show the quiz number under the title and author.

BL = Book level (this is the levels within their ZPD) e.g. your child's ZPD may be 2.1 – 3.2

IL = Interest level. LY is lower years so lower years and MY is years 5/6.

Do not worry about the interest level unless you are concerned over the content of the book. If the book is not in their ZPD then that's okay. It is hard to accommodate this without the school library. We just want the children to read!

## **"I do not have access to many books/my child has read all of their books. Where can I locate other books?"**

This can be tricky but there may be some books online. It would be worth checking the following sites if they have any books that can be used on AR. If they do not then that is okay. The priority is reading, not testing. We would much rather the children reading so if it does not have a test then please do not worry.

If you find any websites with free books, please share them with us. We will also continue to share anything we find. It may also be worth looking at Amazon Kindle as they do have some free books or Audible free trials. Please make sure you look at all terms and conditions if you do this.
