

Messy Hundred Squares

Alex has ripped the bottom of his hundred square.

I've ripped off
my favourite
number, 79.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	
31	32	33	34	35	36	37	38	39	
41	42	43	44	45	46	47	48		
51	52	53	54	55	56	57	58		
61	62	63	64	65	66				
71	72	73	74						
81	82	83							
91									

Is Alex right? How do you know?
Can you think of three other numbers that have
been ripped off?

Is Alex right? Yes

Can you write three more numbers that have
also been ripped off? Any three from these: 30
40 49 50 59 60 66 67 68 69 70 76 77 78 79 80 84 85 86
87 88 89 90 92 93 94 95 96 97 98 99 100

Find a number greater than 53. Any one of these:
54 55 56 57 58 61 62 63 64 65 71 72 73 74 81 82 83 91

Find a number less than 69. Any one of these: 1 2
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23
24 25 26 27 28 29 31 32 33 34 35 36 37 38 39 41 42 43
44 45 46 47 48 51 52 53 54 55 56 57 58 61 62 63 64 64

Find a number greater than 33 but less than 41.
Any one of these: 34 35 36 37 38 39

Find a number greater than 53 but less than 69.
Any one of these: 54 55 56 57 58 61 62 63 64 64

Find a number greater than 69 but less than 79.
Any one of these: 71 72 73 74
