

Activity - Read the short story and answer the questions below.

Unit 2 **Our Dog**

Our dog has to go for walks every day. She stares at us until we take her.

One day she found a smelly pond and jumped into it. "Pooh! You smell disgusting!" we told her.

Then she rolled in the mud. "Pretend she's not ours," whispered Mum. "We must get her home quickly and give her a bath."

We made her wait outside the kitchen door. Mum filled the bath. "I'll put her in," Mum said. "Now hold on tight! Don't let her jump out!"

1. How often does the dog need to go for walks?

2. What did the dog do when she saw the smelly pond?

3. Why did the dog need a bath?

4. True or False. Read the statements and decide.

Statement	True	False
The dog has a walk once a week.		
She barks when she wants a walk.		
Sometimes she gets herself muddy.		
The dog sits quietly in the bath.		
Mum put the dog in the bath.
