

Monday 6th April

One more and one less

Draw lines to show one more and one less than the numbers in the middle. Alternatively- write them on pieces of paper and put them around your house for your child to find and sequence.

*Reasoning Challenge: Think carefully.*

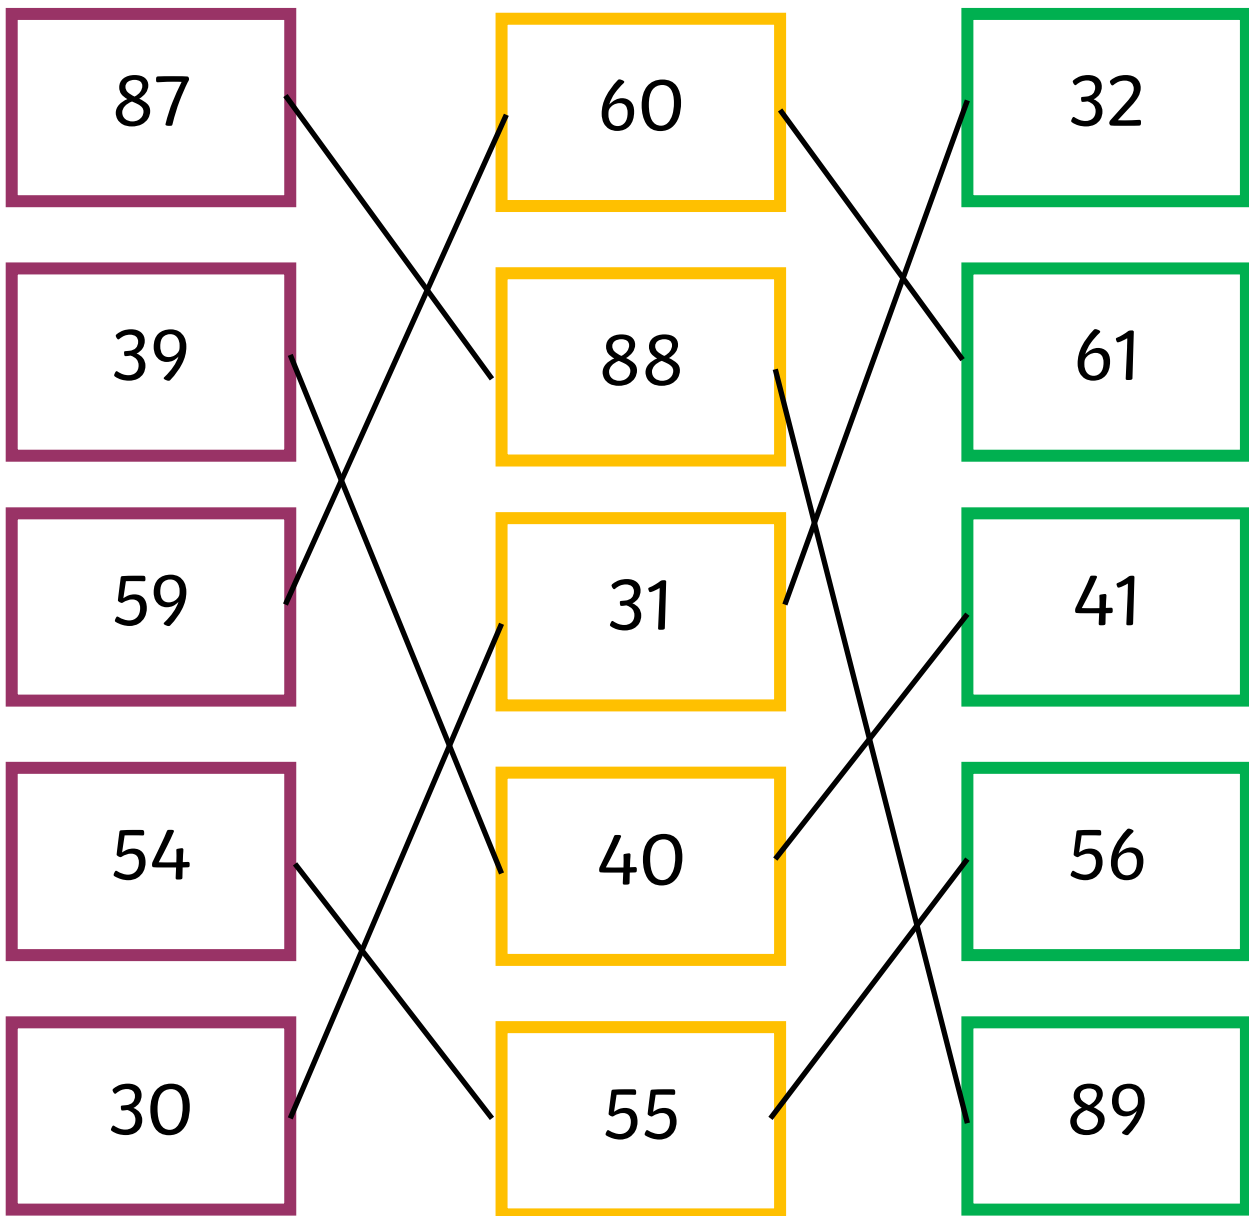

When finding one more and one less, the tens digit stays the same.

*Always*

*Sometimes*

*Never*

Most of the time the tens digit stays the same but sometimes it has to change, we call this crossing ten.

39 40 41 The tens changed from 3 tens to 4 tens
