## Challenge

I have doubled the number of strawberries.

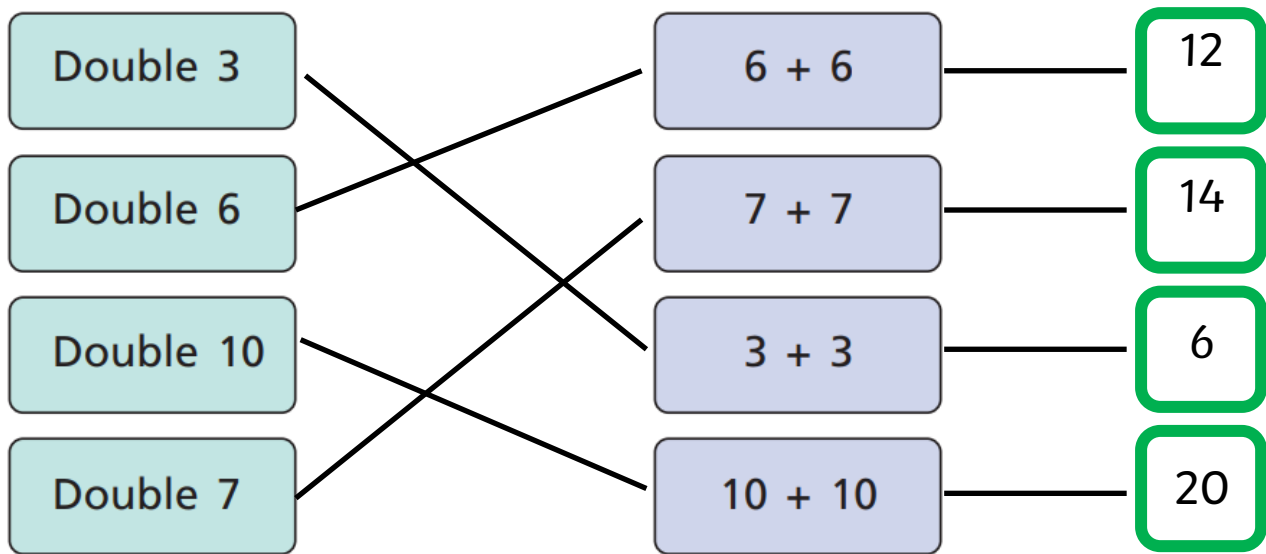

Do you agree with Mo?

Explain your answer to an adult.

Tuesday 21st April 2020

Can you match the calculations then write the answers?

Can you fill in the blanks? Watch out for the red ones - think carefully.

Double 5 is 10

Double 8 is 16

Double 6 is 12

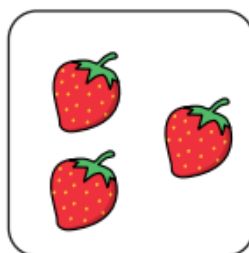

Double 9 is 18

## Challenge

I have doubled the number of strawberries.

Do you agree with Mo? **No**

Explain your answer to an adult.

Doubling is adding the same number twice,  $1 + 1 = 2$  Mo should have 2 strawberries.
