

Thursday Where do I live?

Can you choose a character from your story and draw where it lives?

This page is a drawing template for a story character's home. It features a large, empty white rectangular area in the center, intended for a drawing. This central area is enclosed within a border composed of 16 small, square landscape photographs. The photos are arranged in a grid: 8 photos along the top and bottom edges, and 4 photos along each of the left and right vertical edges. The photos depict various natural settings, including a savanna with acacia trees, a cloudy sky, a coral reef, a desert landscape, a mountain range, a forest path, and a sunset. At the top and bottom of the page, there are green banners containing attribution text for the photos. The Twinkl logo and website address are located in the bottom right corner.
