### Information re: Free School Meals

Dear Parents/Carers,

The school has been issuing your Free School meal vouchers via Wonde since the school closure. We wanted to notify you that we will be moving to the government free school meal voucher scheme provided through Edenred from week commencing **Monday, 15<sup>th</sup> June**. This is a new voucher system nationwide so please be patient whilst vouchers are being issued. In the event of any delays we have decided that your first voucher through them will be for 2 weeks of free school meal entitlement which would be £30.00 (£15.00 a week government entitlement).

The new voucher scheme **will not** issue vouchers via text as per the scheme we have previously used. It is important that the school has your current email so we can send the voucher link directly to you. If you can please notify the office via text/email of your current email address. If you do not have an email please text us as we will have to issue your vouchers manually.

There is a parents frequently asked questions document provided by Edenred found below:-

Many thanks for your continued support. Any questions, please do not hesitate to contact us at:- [office@alexinfants.co.uk](mailto:office@alexinfants.co.uk)

Stay safe and take care,
