

Activity - Read the letter 'Dear Draim' and then answer the questions

Dear Draim,

We are at the Dragon Park now and it is such fun. We went to part of the park that had a drag and drop match. I was the winner!

I got a new dress for the trip too. Mum said that I can't drop my drink down it. I drank with a straw but it kept going drip, drip, drip.

I also had a go on a big dragon drum. It had big, green dragons on it. It was hard to drum for so long.

I must drag myself to bed now. See you soon.
