WORLD MENTAL HEALTH DAY - #HelloYellow - YoungMinds Campaign

We are taking part in fundraising for #HelloYellow campaign to support young people's mental health on World Mental Health Day on

Friday 9th October

We ask all children to wear something yellow and raise vital funds for YoungMinds.

Dig out your neon socks, custard scarf and banana hat - let's show young people they're not alone with their mental health!

Communication

We will be using text messages, Facebook and the school app to communicate with parents.

Please make sure you check these regularly for school updates. If you have any problems connecting then please let us know.

If you have a new phone number, do not forget to inform the office so that we can update our system!

Appointments

We advise that you try and make hospital or dental appointments for your child after school where possible. But if you are unable to do so please notify the school in advance and bring the appointment card/letter to show to the office staff.
