Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.</p>	
Phonics	<p><b>Phase 2 &amp; 3</b> Children are taught the first 48 GPCs, enabling them to start reading and writing three-phoneme words right from the start. Common exception words are introduced from week 3 onwards.</p>		<p><b>Phase 3 &amp; 4</b> In this term children will consolidate knowledge of previously learned GPCs through extending their word reading ability beyond three-phoneme words.</p>		<p><b>Phase 5a</b> During this phase the children will be introduced to two new phonemes ure and er. Thereafter each two week block focuses on the revision of the vowel GPC, then introduces an alternative spelling for the vowel in the second week.</p>	
Literacy	<p><b>Reading – comprehension</b> Read and re-read books to build confidence in understanding and enjoyment. Talk about what they have read and answer questions based on reading. <b>Reading – Word Reading</b> Read individual letters by saying the sounds for them. Blend sounds into words, so that they can read short words made up of known letter sound correspondences. Read some letter groups that each represent one sound. Read captions and simple sentences. <b>Writing</b> Develop good control of tools and use phoneme knowledge to represent words and write captions.</p>		<p><b>Reading – comprehension</b> Read and re-read books to build confidence in understanding and enjoyment.
