

Year One

Summer 1 Curriculum Map

English

The children will learn about instructions. We will write a set of instructions on how to make a fruit smoothie which we will make in DT. Our focus text this term is Jack and the Beanstalk. We will focus on reading the text, sequencing the story and correctly using punctuation including a question mark.

Key words: instructions, imperative verbs, questions

PSHE

The children will be learning about Relationships following the Jigsaw scheme of work.

Key words: family

Computing

The children will be learning about digital writing. We will explore typing using a keyboard.

Key word: font

Maths

The children will learn about how to solve multiplication and division problems using concrete and pictorial methods. We will introduce fractions where they will learn about halves and quarters. In snappy maths, we will be counting in 2s to 20 and 5s to 50.

Key words: lots of, groups of, share

DT

The children will complete a food and nutrition unit on making healthy fruit smoothies. The children will learn food preparation skills.

Key words: design criteria, evaluate

RE

The children will be learning about what it means to be in a faith community.

Key words: community, belonging

Science

The children will be learning about plants. The children will be able to label the parts of a plant. We will look at naming common plants and trees. The children will be going on a trip to Queen's Park during the Summer term at some point.

Key words: evergreen and deciduous

Geography

The children will be learning about what it is like in another country—China. We will look at the world map to locate China. We will compare where we live to Shanghai in China.

Key words: compare, city

Numbots...

Please log on and do 10 minutes a week.

Music

The children will be learning about combining pulse, rhythm and pitch. The children will also explore tempo.

Key word: tempo

PE

Our PE unit this half term is athletics and then we will start preparing for sports day.

Key word: athletics
