

FS1 Nursery

Summer 1

English

We will continue to learn to write our name and form the letters correctly.

We will learn how to use our phonics knowledge to write a list e.g. m for milk.

Maths: Number

Comparison—comparing and sorting collections.

Pattern— lead on own repeats.

Shape, space and measure—start to puzzle.

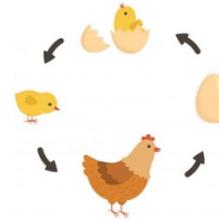

Pattern—making patterns together.

KUW: The World

Wanderlust themes—chicks, spring flowers, dandelions and daises, caterpillars and butterflies.

We will be observing the life cycle of a chick and exploring insects in habitats.

Phonics

We will be learning to listen for and continue rhyming strings, grouping words by initial sound and working on oral segmenting and blending.

PE:

We will be working on gymnastics and getting ready for sports day!

RE: Special places

We will be continuing to talk about special places. We will be developing positive attitudes about the differences between people.

KUW: Past and Present

We will be continuing to talk about our past experiences and why they are special to us.

We will look at our year so far in Nursery, using our photo timeline in the classroom.

Expressive Art & Design

We will be practicing how to join materials, using masking tape through junk modelling.

We will be practising drawing showing the intended shape of the object.

PSHE: Relationships

We will be exploring the different relationships we have at school and at home.

Enrichment / Alexandra promise:

Observing the lifecycle of a chick

Visit a farm

 Reading at home... please share your book with your child and upload a photo to

Class Dojo.
