

FS1 Nursery Summer 2

English

We will continue to learn to write our name and form the letters correctly.

We will learn how to use our phonics knowledge to write a list e.g. m for milk and to label our own pictures.

Maths

We will be continuing to develop our sense of number and look at how numbers are made up of parts.

KUW: The World

Summer

We will be observing the final season of the school year and identifying the main differences and similarities between them all.

Wanderlust themes— bees, summer fruits, sunshine and shadows.

Phonics

We will be learning to:

- listen for rhyme
- orally segment e.g. h-e-n
- identify alliteration

RE : Differences

We will be talking about differences we have seen in books.

KUW:

Past and present

We will talk about our own experiences from the past.

EAD: Art/DT:

We will be refining some of the skills we have developed this year and creating some crafts.

Sports Day

We are working on our sports day events. Look out for the date!

Enrichment / Alexandra promise:

Trip to Longton park for a teddy bear's picnic and tasting new fruit.

PSHE Relationships/Changing Me

We will be exploring the different relationships we have at school and at home.

Reading at home... please share your book with your child and upload a photo to Class Dojo.
