

Year 1

Summer 2 Curriculum Map

English

We will continue reading and writing about Jack and the Beanstalk. We will continue to write sentences using capital letters, finger spaces and full stops; and conjunctions.

Maths

We will be learning about numbers to 100, measurements and money.

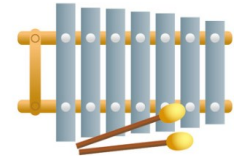

Science

We will be learning about how the seasons change, what happens in summer and how the day length changes during the seasons.

Music

We will be learning about performing and we will be playing the glockenspiels.

PE

Our PE units this half term are invasion and striking and fielding.

PSHE

We will be learning about how our bodies change as we grow up.

D&T

We will look at structures and we will make a windmill using paper cups.

History

We will be learning about the Victorian era and what is like for children during this time. We will learn about what school was like for Victorian children and compare this to modern day life.

Computing

We will be learning about programming using the iPads.

RE

We will learn about the world and why we should look after it.
